

KEYPORT IMPROVEMENT CLUB ZOOM MEETING – 2-8-2022 – 7:00 PM

14 Participants

Called to Order: 7:01 PM

Jan. 11, 2022, Minutes approved as posted.

Treasurer's Report: Jason Ward – Balance remains the same as last month. – This information is available at the KIC meeting or by contacting Jason.

OLD BUSINESS

2022 Project, Events, & Fundraising Activities – Karol Stevens

4th of July - The decision was made to move on from the pancake breakfast. Some activities discussed would be the usual parade, a water balloon fight at the church yard, popsicles, hot dogs, and a raffle drawing. So, we're moving from pancakes to hotdogs.

Garage Sale - Patti Corcoran and Jim Barnes - will decide on the date for this year. Keyport Bible Church will not have one this year. Possibly combine ours with Brownsville.

Fest Committee – deadline is May 1st to decide if it's possible to have the full event as in the past.

Port of Keyport Update – Lena Hunt – The work should be completed the end of this week. The office has been repositioned. The Redside Construction Co. has finished the project early.

The tables that were removed may be available to the community for placement in one of the parks. Claire Ward and Lena Hunt will be painting the office.

A dock opening and ribbon cutting celebration will possibly be held for the community the 1st week of April. They'll keep us informed.

Peg Garrison asked that the flower baskets decision be put on their agenda.

Good job on the whole project. Thanks to all of the Commissioners, past and present!

Park Committee – Karol for Doug Chamberlain

Goals for Saltwater Park: Add gravel by the pump station and get a new trash can.

It appears that someone has cut some trees. If you see any activity like this, please call 911.

Electric vehicle charger and an Amazon Drop Box installations have been suggested.

KPUD fiber optic broadband for Keyport – Follow Up - Possibly at the March or April meeting.

NEW BUSINESS

Possible speakers:

Kitsap Humane Society – Rosie Watne will arrange for a speaker for a future meeting.

Puget Sound Restoration Fund: Update on Olympia oyster beds in Dogfish Bay – **Karol Stevens**

Several people are interested in a follow-up for another meeting.

Marine Biology - Rosie Watne will organize a future presentation by her son, Wayne Watne.

Restaurant Future – Café Rendezvous – possibly get an update.

Ellen Ross-Cardoso and Rosie Watne - have several ideas for future fundraising events. Such as a home Garden tour, Back to the Fifties, Bands on the Dock, Potluck on the Dock, Food Truck Fair, Hot Dogs & Movies, Corn Hole Tournament, Chalk Drawings, Paint & Sip.

Suggestions by others: a Local Winery Tasting, and Bingo. Some of these could possibly be added to the 4th of July.

Fire Department: Poulsbo Fire Cares – Karol Stevens – Will arrange for a speaker. Their program sends out a paramedic and mental health professional to get the right help and avoid repeat 911 calls.

Fishline – Rosie Watne – Has offered to look into getting a speaker on their mental health service.

Yard Waste Pickup in Keyport – Karol Stevens – A 96 GA container – 2 X Mo. for \$8.47.

Some homes now have the opportunity.
